TASTE THE FLAVORS OF VIPAVA VALLEY BETWEEN ST. MARTIN AND CHRISTMAS

YOUTH HOSTEL AJDOVŠČINA

is located in the nice small town, once called 'Castrum Ad Fluvium Frigidum' or 'Fortress at the Cold River'. The city center, built on the foundations of a Roman fort, is just a few footsteps away. Surrounding of the hostel invites you to explore it on foot or by bike. We recommend that you rent a bike from us and take a ride in our small town, or explore the picturesque villages scattered across the hills of the Vipava valley. In November, you can be part of interesting events along the wine roads of Vipava valley. Every weekend there is a party – series of events called 'Open wine cellars' begins. At various locations, winemakers open their wine cellars for tasting their new born wine. Along with delicacies prepared by local housewives, roasted chestnuts, live music and singing in a good company, you can be part of a truly memorable experience. The main wine party – St. Martin's day takes place every 11 of November. It's really a special day, because by a miracle, a must turns into wine. Join us on various cultural and wine - culinary events taking place at this time in Vipava valley!
